

## Itemised Quotation

### Ficcorenta - Supply Only

#### UniPlay Ficcorenta (wood) NB Posts, Green Barriers - (HAG8021963)

#### PRODUCT FEATURES

The Ficcorenta is ideal for exploration and adventure. The eye-catching flat net can be accessed by the surrounding rope ladders or the balcony where children can overlook the entire playground. The fireman's pole provides a theme game in its simplest form and the trapeze is simple but full of opportunities such as swinging, hanging by the arms or knees. The trapeze will make circus artists of anyone!

**SOVEREIGN**  
Bringing imagination into play

#### Product

##### Description

Five different challenges all linked together to create the Activity Frame. A Soarable Net Climber, Log Traverse, Vertical Ladder, Log Wall Climber and Parallel Rope. Walk all combine perfectly to create a large, challenging adventure structure designed to fit in a relatively small area, this unit does require a safer surface.
