Biodiversity

To support and improve Biodiversity in the village the Council carried out a study of all its land and in 2021 agreed to carry out a 3-year pilot programme based mainly at the Pinog. Where possible, taking into account land usage and other geological aspects, the existing cutting regime was adjusted aiming to improve the chosen sites for pollinators and other wildlife. Initial results have already seen an increase in native wild flowers and pollinating insects using the pilot areas. With Covid restrictions lifted it is hoped to involve residents in future monitoring surveys.

- Gwneir penderfyniadau'r Cyngor gan Gyngorwyr Cymuned sy'n cael eu hethol gan bleidleiswyr lleol.
- Swyddogaeth Cyngor Cymuned yw hyrwyddo'i ardal leol, cynrychioli ei buddiannau a chefnogi gwaith grwpiau cymunedol lleol.

What is a Community Council and what does it do?

- A Community Council is the most local level of government in the community.
- Community councils (equivalent of Parish Councils in England) are legal bodies created by Act of Parliament and have the right to levy a local tax (called a Precept) on every household.
- Decisions of the Council are made by Community Councillors who are elected by local voters.
- The role of a Community Council is to promote their local areas, represent its interests and support the work of local community groups.
- Community Councils also provide a limited range of local public services which vary according to the size of the villages. However, the responsibilities of Community Councils are limited, as most local government services are undertaken by the County Council.

Beth mae Cyngor Cymuned Llandudoch (CCLI) yn ei wneud?

Mae yna dipyn o ddryswch ynglŷn â phwy sy'n rhedeg pa wasanaethau cyhoeddus. Mae hynny'n ddealladwy gan nad yw bob amser yn hawdd gweld pwy sy'n gwneud beth a pham. Fodd bynnag, yn gyffredinol Cyngor Sir Penfro sy'n gyfrifol am y rhan fwyaf o wasanaethau llywodraeth leol.

Mae CCLI yn lobio dros weithredu cymunedol yn lleol ac yn genedlaethol.

Mae CCLI yn gweithredu fel corff anstatudol i ymgynghori ag ef ynglŷn â cheisiadau cynllunio gyda Chyngor Sir Penfro a Pharc Cenedlaethol Arfordir Sir Benfro.

Mae CCLI yn cynnig cynlluniau grant i gyrff cymunedol lleol, ac mae mwy o wybodaeth i'w gweld yma <http://stdogmaels.org/grant-funding/>
