

Llangoedmor Community Council

Grant Application Form

If you have queries with regard to completing the form please contact the Clerk to the Council who will be happy to advise.

The Council would prefer to provide financial assistance towards specific projects, events or purchases of equipment which provide direct benefit to the Community of Llangoedmor and its' residents. However, it will also support ongoing revenue costs if an organisation can demonstrate its lack of funds and the adverse effect on Llangoedmor and its residents if the organisation is unable to continue or is hampered by lack of funds.

Applications will only be accepted from charitable and non-profit making organisations. The council regrets that applications from commercial organisations or individuals will not be considered.

Section A – Please tell us about your project / event or organisation

1. Name of Organisation

RAY Ceredigion

2. Please describe below (please attached additional sheets if required) the project/ event you are applying for funding for or the reasons why your organisations requires funds

RAY Ceredigion has received requests from families in the Llechryd area to deliver outdoor play sessions on the community play area, we deliver often in Cardigan, and used to a few years ago also deliver in Llechryd, but that funding has long since ended. We are requesting funds to bring along our Play Van full of resources for play sessions that suit all children, all ages and abilities, and help to bring the community together. We find the play sessions increase the time children spend outdoors, off their devices, we provide healthy snacks of fruit and water to drink, and whole families can come along, from babies to grand parents. The funds would cover the cost of 2 playworkers and a 2 hour play session plus all the resources, travel costs etc. We would come one day a week for 5 weeks of the summer holidays at a cost of £300 per session

Section B – Budget

The Council would like to know:

A The total cost of the project / event or funds required by the charity or organisation

B The amount of grant funding you are asking for from Llangoedmor Community Council

1 January 2020

C *It would help* if you also state what money your charity / organisation is putting into the project/ event (this might be from funds you hold in your accounts or a payment from members to subsidise the cost of the project / event (i.e. members might pay something towards the cost of hiring a bus, a meal etc, whilst you are looking for help to cover all or part of the remaining costs))

D Are you are asking for grant funding from other source(s) and if so how much

A	Total cost of project / event for funds required	£1500.00
B	Amount of funding requested from Llangoedmor Community Council	£1500.00
C	Money for the project / event , such as from you own funds or a charge for the event to members etc	£0
D	Are you asking for grant funding from other source(s) and if so how much	£0

What will you do if you can't cover the cost of the project?

Tell us how you would adapt the project if you don't get all of the funding you need or whether you would not go ahead with the project.

This is a project specifically for Llechryd in response to requests from members in the local community. RAY does contribute to the costs for example the cost of the vehicle, the larger equipment, the staff training etc, but the amount requested would enable us to deliver specifically in Llechryd

In the event you do not use funding, as detailed in this application, provided by Llangoedmor Community Council it should be refunded to the Council.
