

## **Councillor Training**

Llangoedmor Community Council supports training for its Councillors and will pay for the costs of agreed training and reasonable agreed travel expenses.

All new Councillors will be expected to undertake the online OVW training module within 8 weeks of signing their Declaration of Acceptance of Office (assistance will be given where Cllrs did not have the necessary technology to do so).

New Councillors will be expected to attend the OVW New Cllr training course and Code of Conduct training at the next reasonable opportunity.

All Cllrs will be expected to attend refresher training on the Code of Conduct following an election.
