

Llangoedmor Community Council Bus Stop Proposal Survey

Dear Residents,

Llangoedmor Community Council is reaching out to seek your valuable input regarding a proposal for formal bus stops on the A484 at Croes-y-Llan. Your feedback will help us gauge community support for this initiative before the Community Council approaches Ceredigion County Council, the Highways Authority, for further consideration.

Background Information: Currently, buses on the A484 route at Croes-y-Llan stop 'on request.' However, the Community Council is exploring the possibility of establishing formal bus stops on both sides of the road at Croes-y-Llan. Please note that any decision regarding the installation of bus stops will be made by the County Council, not the Community Council. Additionally, there will be no bus shelters or seating provided due to visual splay concerns at the crossroads.
