4. Consideration of the Bid by Parti Yn Y Parc for the OAP Christmas Meal

The Chair opened the meeting by way of an explanation as to why a Finance meeting had been convened at short notice. Given the limited time that Parti Yn Y Parc has to organize the event and the fact that the Grant process is not tight as far as timetables for bids are concerned it was decided to hold a special meeting.

Following discussion, the Clerk was charged with amending the application process for future grant application bids in liaison with the Chair as follows.

- A clear timescale is to be set out. Grant bids need to be submitted 3 months before the grant is required so that the Council can ask questions of the organization requesting the grant.
- Organizations would be offered help with bids if needed.

- Organizations need to submit accounts and not bank statements to support the grant application process.
- The Council would request receipted evidence of expenditure as a condition of offering grant.

It was thought that these measures would strengthen the governance arrangements at the Council.

The following documents relating to the Parti Yn Y Parc bid were presented to the Council for consideration.

- Original bid
- Information requested by Council on 7th October 2024
- Parti Yn Y Parc's response to the questions.

Following consideration of the bid the following proposal was put forward by the Chairman.
