4. Confirmation of Order of the Agenda and identification of any items that might be resolved in confidential session.

The agenda was accepted as presented.

5. Confirmation of Minutes of 3rd November 2025

Cllr Wychwood objected to page 693 of the minutes as he didn't think the first proposal "Adopt the policy as presented as an emergency measure for one month to cover our liability but that we recognise that a long-term option requires additional input" represented the motion that he was voting on. He added that he had sent a motion to the Clerk that had been altered.

The Clerk acknowledged the e mail correspondence regarding the motion, but had altered the motion to make it easier to vote on without changing the context in any way. The Clerk pointed out that Cllr Wychwood had the opportunity under Standing Orders to ask for an amendment to the motion if he wished to do so. The fact remained that the motion voted upon was the one contained in the minutes and so was accurate.

Cllr Culley who had seconded the motion concurred with this and confirmed that the minutes as presented were an accurate record of what was voted on.

Proposed that the minutes of 3 rd November 2025 be accepted as an accurate record.	Seconded	
Cllr J. Culley	Cllr H. Davies	Carried with Cllr C. Wychwood voting against the motion

This showed that in the period in question the Council had an underspend of £393. It was noted that payroll was overspent because the February salary that is usually paid in March was not paid until 1st April 2025.

The Clerk said he was not aware of this legislation but would check the requirement with One Voice Wales. The Clerk further confirmed that he had read the paper and was satisfied with the procedure as it stood. The Clerk also commented that he was not an expert in this matter and so would need to buy in independent advice if he was required to sign off the technical and legal details in the paper.

Cllr Culley asked Cllr Wychwood as the lead and expert in this area as a medical professional if the procedure as presented was fit for purpose.
