Introduction

This Council notes that:

- The initiative has received support in principle from members, and there is a wish to release funding promptly while maintaining proper oversight.

Motion

This Council resolves to:

1. Acknowledge the outline costs presented by the community group in principle.
2. Approve an initial grant of £400, to be paid to the group, subject to the condition that expenditure is supported by receipts and aligns with the aims of the project.
3. Delegate authority to the Clerk, in consultation with the Chair, to review the receipts for the initial £400 and confirm that the expenditure is in line with the agreed aims and costs.
4. Approve a second grant of £400, to be released by the Clerk under this delegated authority, without delay or additional resolution once those conditions are met.
5. Agree in principle to a final grant of up to £400, subject to the initial £800 being properly spent and a clear need for further funding being demonstrated.
6. Determine any final funding, as set out in Point 5, at a subsequent meeting of the Council, to be called as an Ordinary or Extraordinary Meeting as required.
