Members of the public were given the opportunity to address the meeting prior to the start of the Annual Meeting. This was limited to 10 minutes.

The members of the public said that they would like to see better engagement by councillors in community events. The Chairman asked for qualification concerning whether they were referring to Parti Yn Y Parc events. She also listed local community events, meetings and routines that were attended by councillors including meetings with the MP, meals on wheels support and community health days. She thanked the members of the public in attendance for bringing up the point stating the need for councillors to publish details of community engagement more regularly.

The meeting started at 7:10pm.

Cllr A. Edwards raised a point relating to official documentation on General Powers of Competence (GPOC): that the Clerk had to be SLCC qualified for the Annual Meeting to go ahead according to legislation. The Chairman explained that there is no general requirement for Community Council clerks to be SLCC qualified, and went on to summarise what was meant by General Powers of Competence as per the official documentation.
