Grant Application Form

If you have queries with regard to completing the form please contact the Clerk to the Council who will be happy to advise.

The Council would prefer to provide financial assistance towards specific projects, events or purchases of equipment which provide direct benefit to the Community of Llangoedmor and its residents. However, it will also support ongoing revenue costs if an organisation can demonstrate its lack of funds and the adverse effect on Llangoedmor and its residents if the organisation is unable to continue or is hampered by lack of funds.

Applications will only be accepted from charitable and non-profit making organisations. The council regrets that applications from commercial organisations or individuals will not be considered.

The aim of the project is to bring people together, encourage participation across all age groups + create a welcoming + vibrant environment that will hopefully make residents proud of where we live.

We are planning a series of community workshops where residents can design + create decorations. A wide range of local groups have been invited to take part including school, sports club, church, knitting club + nursery school.

The funding will be used to purchase materials as well as flowers to enhance public spaces ... continued on

The Council would like to know:

A The total cost of the project / event or funds required by the charity or organisation

B The amount of grant funding you are asking for from Llangoedmor Community Council

C *It would help if you also state what money your charity / organisation is putting into the project/ event (this might be from funds you hold in your accounts or a payment from members to subsidise the cost of the project / event (i.e. members might pay something towards the cost of hiring a bus, a meal etc, whilst you are looking for help to cover all or part of the remaining costs))*

Section A

Question 2 Continued...

While we have reduced the amount of funding requested + scaled back some elements of the project the core aim remains to deliver a meaningful, inclusive initiative that brings the community together. If full funding is not secured, ^{we} will adapt / scale back further - but also if we find that we have not spent the grant in full - we will I assure you return the money to the Council.

Overall, this project aims to build community spirit, encourage collaboration + leave a lasting positive impact beyond the Eisteddfod itself.
