

Llangoedmor Community Council	
Meeting Date:	June 2026
Report Title:	Road side flower planters Paper June 2026-6
Agenda Item Number	11.5
Paper Reference	June 2026-6
Presented By	Cllr J. Culley
For	Decision

Introduction

The Council has been notified that there is local interest from residents about maintaining roadside planters in the villages of Llangoedmor and Llechryd.

Project

Following the expressions of interest the Council has looked into the provision of planters to be maintained by residents in the community.

It was thought that up to ten planters could be offered to the community together with funding for soil and plants to residents who are interested in maintaining them, up to a maximum funding ceiling of £2,500.

The project would cover both Llangoedmor and Llechryd.

The Council would invite those interested to put forward their ideas to access the funding.

Proposal

It is proposed that the Council:

- approves the allocates £2,500 to the acquisition of planters, soil and plants.
- Invite residents who are interested in maintaining a planter to discuss their ideas with the Council.
